Teachers/paras only needing the refresher course for CPI can attend the afternoon session on either day from 1-3pm. If you have never had CPI training or have not had the training in the past year, you will need to attend an entire day of training on either August 2nd or 7th. **Please contact the DCEC office to notify us which training date you will be attending, and if participating in the full training or afternoon refresher.**

** Any Troy staff members that attended training with Emily Purdy on April 5th, you will not need to attend August trainings, as USD 429 has plans to provide the refresher training during a mid-year inservice.

Any updates/changes will be sent out via email.

If you have any questions, please don't hesitate to contact us at the DCEC office.

Best regards,

Kristin Franken
